

How to Play - Beast Buster

Objective:

Your goal is to shoot the beasts that appear on the screen to earn points while avoiding hitting any kids.

Each successful shot on a beast increases your score, but hitting a child will result in a penalty or possibly even a game over!

Gameplay Instructions:

1. Start the Game:

- Press "Start" on the main menu to begin.

2. Shoot the Beasts:

- Beasts will randomly appear on the screen. Click or tap on them to shoot and score points.
- Different beasts may appear with varying speeds and sizes, making it harder to hit them as the game progresses.

3. Avoid Shooting the Kids:

- Be careful not to shoot any kids. They might appear unexpectedly, and hitting one will lead to penalties or end the game.

4. Track Your Score:

- Each time you hit a beast, your score increases. The higher your score, the better your performance!
- A record score counter will keep track of your best achievements. Try to beat your own high

score with each attempt.
